Moorfields Eye Hospital staff members have access to a number of **e**journals via **NHS Athens**. To register for NHS Athens, please go to [www.evidence.nhs.uk](http://www.evidence.nhs.uk), select **Journals and Databases**, and then select **Access journals**.

A complete list of **e**journals available to Moorfields Eye Hospital staff members can be found at [www.evidence.nhs.uk](http://www.evidence.nhs.uk). Please select **Journals and Databases** and then **Journals**. Remember to **log into Athens before accessing the e**journals, or you will not see the full list of titles available to you.

**E**journals available cover most aspects of **biomedicine and health**. A list of **eye and vision titles** is provided below as a guide. Sometimes there are multiple entries for the same journal. Where this occurs the list aims to guide you to the best provider to use and provides instruction on how to reach the page successfully. Should you experience any problems please do not hesitate to contact a member of library staff who will take you through step by step.
