7.7. Communicating and recording the outcomes from an assessment and formulation

■ An ability to communicate the findings from an assessment:	
	■ verbally:
	■ with other members of the team
	■ with the child/young person
	■ with parents/carers of the child/young person
	■ with agencies/people who made the referral or who have a responsibility for the child/young person's care
	■ in writing:
	■ in the child/young person's case/care records, in accordance with local procedures and policy
	■ in reports to agencies/people who made the referral or who have a responsibility for the child/young person's care
■ An ability to adapt the pace, amount of information and level of complexity to the recipient(s) of information to ensure that it is legible and relevant to them, and conforms to general principles of confidentiality
