

## Privacy notice

We keep **information about you** on the research volunteer register

We do this with your **consent**. The information is needed to carry out **research in the public interest** ('public task')

This includes **personal information** about **you**, your **communication** and **test scores**

We follow the Data Protection **Regulations** (GDPR)

We keep the information **confidential**

We keep the information **safe**

Only research teams at UCL will see the information

We **keep** the information until you ask to leave the register or you stop volunteering for projects. Then it is destroyed / deleted

You can ask to see, change or delete the information:
