Please use **BLOCK CAPITAL** letters (especially for your name, e-mail and postal address)

- **Section 13** (UCL Department): Please state 'School of Pharmacy'.

- **Section 14** (Duration of Study): Please leave it blank if the options do not fit your proposed placement length.

- **Section 15** (Proposed Starting Date): Please manually add the proposed end date and confirm how many months in total you would like to come in for.

- **Section 18** (Supplementary Information): Please use it to rank at least 3 departments you would like to be allocated to, in order of preference. Please only list the department names and leave the 'Code' and 'Course Title' columns blank:

- If you are interested in laboratory-based research project, please only rank the names of our departments you would like to be allocated to.

- If you wish your research project to be conducted in one of our linked hospitals, please rank it as a 'Clinical Pharmacy and Practice Project Work'.

- If you are interested in theoretical / computational research, then please rank it as *'Computational Project Work'.*

- If you are interested in Pharmacology and data mining clinical research, please rank it as *'Pharmacology / non-laboratory clinical research'.*
