

Please use **BLOCK CAPITAL** letters (especially for your name, e-mail and postal address)

- **Section 13** (UCL Department): Please state 'School of Pharmacy'.
- **Section 14** (Alternative UCL Departments): Please leave it blank.
- **Section 15** (Duration of Study): Please leave it blank if the options do not fit your proposed placement length.
- **Section 16** (Proposed Starting Date): Please manually add the proposed end date and confirm how many months in total you would like to come in for.
- **Section 19** (Supplementary Information): Please use it to rank at least 3 departments you would like to be allocated to, in order of preference. Please only list the department names and leave the 'Code' and 'Course Title' columns blank:
  - If you are interested in laboratory-based research project, please only rank the names of our departments you would like to be allocated to.
  - If you wish your research project to be conducted in one of our linked hospitals, please rank it as a '*Clinical Pharmacy and Practice Project Work*'.
  - If you are interested in theoretical / computational research, then please rank it as '*Computational Project Work*'.
  - If you are interested in Pharmacology and data mining clinical research, please rank it as '*Pharmacology / non-laboratory clinical research*'.
- **Section 21** (Supporting Documentation):
  - 1) Two letters of recommendation from members of academic staff at your home institution who are familiar with your work.
  - 2) If English is not your first language, please provide a proof of [English language proficiency](#)
