FINDING YOUR NEXT HOME MADE SIMPLE

All your housing questions answered – even the ones you may not have thought of yet.

When should I start looking? Who should I live with? How much should I pay? How will I know if an area is safe? Is my contract fair? How can I save money? Who can I speak to for help?

Our online resources give you all the information you need to reduce stress and make a success of independent living. Get advice from UCL students who’ve done it before along with great insights from professionals who deal with student housing issues in London.

1. WHERE TO START When to start? Where to look? Don’t panic! We give you the best guidance on finding the place that suits you and your budget.

2. GET A GOOD DEAL What to look out for? Questions to ask landlords? How to check your contract? All these issues made clear and jargons explained.

3. SETTLE IN How do I move my stuff? Council tax, utility bills and personal safety. We have tips and advice to help you live happily and provide details of support you can access when required.

The full range of information including videos and list of essential contacts is available online.
