As and When Research Assistant, PBS Study Dissemination

UCL Department / Division  Division of Psychiatry
Specific unit / Sub department  Epidemiology & Applied Clinical Research Department

Grade  6B
FTE  Variable
Payment (inclusive of London allowance) £15.93 per hour, equivalent to Grade 6B spine point 24 (£30,316 per annum pro rata)

Duties and Responsibilities
The Research Assistant will be working on drafting papers and contributing to targeted communication of the findings of a large clinical trial supervised by Professor Angela Hassiotis. The post will require excellent skills in academic communication, literature search and liaison with co-authors as well with family carers of persons with intellectual disability.

Payment will be per hour, corresponding to the hourly rate for Grade 6B, spine point 24. Work in this phase of the study will be available until end of May 2018.

Key Requirements
Candidates must have a good first degree in psychology or social sciences (2:1 or above) and MSc in a relevant field or research methods. It would be desirable to have experience of patient and public engagement. They must be able to work as part of a team and other stakeholders. Attention to detail and time management skills as well as excellent interpersonal skills are essential.

Further Details
For further details including the job description please contact Prof Angela Hassiotis (a.hassiotis@ucl.ac.uk).

To apply for the vacancy please use the UCL Application Form, obtainable from Ros Brown (ros.brown@ucl.ac.uk).
