

Display Screen Equipment (DSE) Assessor

Responsibilities of the DSE Assessor are to:

- attend training – ‘Assessment of Display Screen Equipment Foundation Workshop’ to gain the knowledge and skills to analyse workstations;
- in consultation with managers identify which DSE Users you will assess;
- issue workstation assessments using the RiskNET DSE tool;
- carry out a DSE assessment if issues are raised in user self-assessments;
- record the results and/or recommendations which must be communicated to the manager for implementation;
- re-issue a self-assessment when a review is appropriate
- report periodically to Departmental Management.
