

## Academic Services Newsletter

### Welcome

This special issue of the Academic Services Newsletter focuses on preparation, support and training for the Exam Board process.

Thanks to Covid-19 it is going to be an unusual exam board season. Rewriting the rules in Portico to reflect no-detriment policies has been a massive endeavour for everyone, and we would like to thank everyone who has helped us with testing and checking. We would also like to thank members of the ELOs and Exam Board Chairs Working Groups for their support with reviewing and improving our reports and processes.

If you know any colleagues who would like to receive our regular monthly newsletters, or have any new starters on your team, please [click here to sign-up](#). Previous editions are available via the [Archive](#).
