UCL Module Selection

Dear ,

Submit your module selections for 2024/25 on Portico - ACTION REQUIRED

Please submit your module selections for 2024/25 within the 'Module Selection' tile in 'MyStudies' on Portico. You have **until 11:59pm on Friday 17 May 2024** to submit your choices on Portico.

Please note that places are limited on many modules, and some modules have pre-requisites and / or allocate priority places to students on certain programmes. Therefore, we encourage you to review all module information provided by your department and in the module catalogue and to discuss your selections with your Personal Tutor or another member of staff to ensure that you **make the right choice first time.**

For more information about how to submit your modules including user guides and FAQs please visit our Module Selection webpages.

You will be sent an email on 15 July 2024 when your module allocations are confirmed which you will then be able to view in MyStudies on Portico. Students who are not allocated a place on their preferred modules will have the opportunity to make re-selection requests up until 29 July 2024.

If you have any questions, please visit our Module Selection webpages or contact your home department.

Kind regards
