2. to monitor developments in the area of research governance within the UK higher education research community and to determine, subject to appropriate consultation, mechanisms to ensure that the relevant UCL policies and procedures are reviewed and revised as necessary to take account of such developments.

1.4 Dr Mary Phillips had retired from UCL. Dr Andrew Clark had succeeded Dr Phillips as the Director of Research Planning, Office of the Vice-Provost (Research).

1.5 Dr Brian Balmer would be on sabbatical leave for the 2011-12 session. Dr Joe Cain, Head, UCL Department of Science and Technology Studies, would serve in his place on RGC for the current session.
