Grand total	25120	25940	51055

**Footnotes**

The data in this table reflects disability information voluntarily provided by students at the time of application. Students who do not wish to declare their disability or subsequently develop or are diagnosed as having a disability while studying at UCL will remain in the "No Known Disability" or "Not Known" categories. Therefore, the actual number of students with disabilities registered at UCL will be higher than indicated in this table.
