WELCOME TO A NEW YEAR AT UCL - We're committed to making sure you can receive a world-class education and student experience in September, and that you can do so safely and with the flexibility you need. Check the **UCL Students website** regularly for all the latest on how we're doing this.

Dear **`\${Contacts.First Name}`**,

Wondering what it's like in and around our Bloomsbury campus, your soon-to-be new home? Well, in our penultimate Countdown to UCL email, we share our **Campus Life** stories. Whether you're joining us on campus now or later, we hope this gives you a taste of things to come.

Campus Life

There are so many things to do on and around the UCL campus! The articles in this theme will get you up to scratch on what campus life is like, so you can hit the ground running when you arrive here.

Your home from home - a guide to your Union spaces

The union has so many great spaces spread across campus for you to study, hang out, get fit, or get creative. [Find out all about them in this article!](#)

Clubs and societies 101

One of the most exciting things about university life is all the clubs and societies you can join. You're sure to find your community at the Union with over 300 societies to choose from, so here's a **quick guide** on everything you need to know.

UCL Culture - UCL museums, galleries and theatres

From art to animals, archaeology to performance, science and beyond, there's lots to explore on campus and online (and nearly everything is free!) **This article** will reveal the world-class museums, galleries and theatres waiting to be explored in London.

7 tips to staying safe on and around campus

UCL's Crime Prevention and Personal Safety Advisor gives you her top tips to ensure you stay safe on and around your UCL campus. [Read on.](#)

Student Societies

The Faculty of Life Sciences has several popular student societies. The two largest science student societies are the **UCL Life Science society** and the **UCL Neuroscience Society**. Start following both of them on Facebook now to find out about key events and activities.

Fight the fakes

Join **UCL Fight the Fakes** in our battle against fake medicines, as we raise awareness of the dangers of counterfeits and aim to put fake

medicines on the global agenda. As pharmacy students, we want to empower people in the fight against fake medicines. **Join the us now!**
