Reflect: Day 3 June
- Evaluate impact - data
- Share learning
- Theory of change
- New questions

Ask: Day 1 October
- Research question / enquiry focus (data informed)
- Expected outcomes / the difference you want to make
- What works?

Innovate: Day 2 February
- Refine and re-trial strategies
- Track evidence of change (of practice and learning)
- How to report impact?

Investigate: inter-session
- Baseline evidence - data
- What can I learn from the literature?
- Apply and track the impact of new strategies
